John H. Reagan Senior High School

If we use Shakespeare's idea that "All the world's a stage," we like to think that Reagan is our stage, that the SCHOOL YEAR 1949-1950 has been a play in which all of us have had a part. We have enjoyed the play. We think it has been good because of the serious thought, of the laughter, of the hard work, of the fun, but chiefly because of the friends who have played their parts with us. Perhaps this PENNANT will serve as a program to bring to you in retrospect the SCHOOL YEAR 1949-1950.

To the Class of 1950:

You are a beneficiary of the great American public school system, and for this reason you owe a peculiar debt to your country. This debt can be paid, in part, if you do what you can to promote a wider popular understanding of the foundations of our liberty and freedom. We Americans have been too smug and complacent about this obligation. Too many of us have assumed carelessly that our liberties were sacrosanct, and have flagrantly neglected to maintain the balanced relationship between rights and duties in citizenship. We at times seem to forget that the maintenance of representative democracy requires an exceptionally high degree of intelligent understanding and of active cooperation on the part of all our citizens.

History shows that liberty has been lost far more frequently by the complacency, indifference, and ignorance of the citizenry themselves, than by executive fiat or military conquest. Daniel Webster said, "God grants liberty only to those who love it and will always guard and defend it."

May you as graduates, rededicate yourselves to a finer realization of those root principles that have made America great, and may you work unremittingly for the preservation of political, intellectual and religious liberty.

STUDENT COUNCIL

The Student Council is composed of the presidents of all the clubs in Reagan and the presidents and secretaries of the sophomore, junior, and senior classes. This club is representative of all student activity and is the official group in charge of student elections. The sponsors are Miss Zuleika Ware and Mr. W. T. Allen.

The National Honor Society

The National Honor Society was started by the National Education Association in 1919. The Reagan Chapter was organized during the spring semester of 1935. The purpose of the Honor Sociey is "to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in pupils of John H. Reagan High School."

Members of the Junior and Senior classes are selected on a percentage basis by a faculty committee appointed by the principal. The Reagan Chapter of the National Honor Society has interested itself in many worthwhile projects, such as sponsorship of schools elections, sale of Reagan book covers, and conduction of a school clean-up campaign.

The Speakers' Forum, one of Reagan's oldest organizations, has gained statewide recognition for the school. The overcrowded trophy cases are proof that many first places have been won in the various tournaments. This year the Speakers' Forum has entered tournaments at Lamar in Houston, Adamson in Dallas, North Texas State College in Denton, Baylor in Waco, Trinity University in San Antonio, Southern Methodist University in Dallas, University of Houston in Houston, and the National Forensic League in Arlington.

The Speakers' Forum is associated with the National Forensic League, an honorary organization based upon service. Membership is gained by participation in speech tournaments and contributions in local service speeches.

The Reagan *Statesman* is a bi-monthly school paper which is published by journalism students under the sponsorship of Mrs. Ruth Wilkison. The staff is selected from journalism classes on the basis of interest, ability, citizenship and scholarship.

Barbara Moore served capably as Editor-in-Chief the first semester and Robert Tutt was advanced from Associate Editor to full editorship for the Spring Term.

Fourteen staff members were initiated into the National Quill and Scroll Honorary Journalism Society. Officers elected for this organization are: Joan Sudsbury, president; Kenneth Collins, vice-president; and Mary Frances Blount, secretary-treasurer.

Highlights of the year included the "Pumpkin Promenade," a Hallowe'en Dance to raise funds for the paper; and a Quill and Scroll banquet in January at Captain John's.

The primary efforts of the staff this year were to make the *Statesman* self-supported by extensive advertising and subscription campaigns and to raise the standards of the paper to a high level of Journalism.

The Choral Club, sponsored by Mrs. Helen Laperouse, has become a very popular club at Reagan. The standards for membership in this club are high and therefore membership is an honor as well as a privilege. This year the club adopted an attractive uniform, a maroon robe with a white stole monogrammed with R.

The club has sung for regular school assembly and has also provided the musical program for mid-term graduation exercises, the Easter program for the P.T.A., and the District Rotary Dinner on April 16.

The Girls' Glee Club is a popular organization composed of sixty girls who meet requirements of ability, interest, and conduct. Some favorite songs of the girls in this organization are:

"The Lord is My Shepherd" ..... SCHUBERT
"Calm is the Night" ..... BOEHM
"Creation Hymn" ..... BEETHOVEN
"O Holy Night" ..... ADAM

They presented enjoyable programs in the auditorium at Thanksgiving, Christmas, and Easter. They accepted invitations to sing for the Rotary, Rotary Ann, and Kiwanis clubs. The "Hundred and Fiftieth Psalms," the favorite song of the club, was sung by the girls at the mid-term Baccalaureate services. At the close of school, a banquet was given in honor of the graduating girls and letters were awarded to the deserving ones.

Director

The Reagan Band

The Reagan Band, directed by Mr. Jay M. Brandstetter, has played an active part in the school life during the year 1950. In the fall the Band played at all Pep Rallies and marched in all football games at High School Stadium, and the out-of-town game at Ft. Worth. In November it marched in the Armistice Day parade.

During the spring semester the Band marched at the alumni football game. As a concert band it played at Hogg and Hamilton Junior High, played at the Variety Show, and at the close of the year played in the Spring Music Festival.

The social affairs of the Band included the "Turkey Tavern," a dance for the student body, and other parties for band members and their dates.

Future Homemakers of America

The Reagan Chapter of Future Homemakers is sponsored by the Home Economics Department under the direction of Mrs. Frances Edwards, Mrs. Mary S. Huckabee, Miss Frances Murphy, and Miss Carolyn Stewart. The three hundred members meet at their respective periods each week in six units or clubs. Billy Tolar, Barbara Newland, Beryl Willett, Patsy Mahan, Jo Ann Englebert, and Max Schuebel were unit presidents during the fall term; Herbert Arnold, Joyce Bortz, Melba West, Billy Tolar, Mildred Ehrlich, and Beryl Willett were unit presidents during the spring term. The council of nine members is elected to lead and supervise the activities of the club.

The Future Homemakers this year gave a tea for the new teachers of Reagan, sent useful gifts overseas for a World Christmas Festival, and gave an interesting Christmas program concerning home decoration.

The purpose of this club is "to promote a growing appreciation of the joys and satisfaction of homemaking, to emphasize the importance of worthy home membership, to encourage democracy in home and community life, to work for good home and family life for all, to promote international good will, and to speed the development of creative leadership in home and community."

It Happened This Spring

In spite of all efforts to make a complete yearbook, the staff cannot include a record of all the events of the last two months of school. There are so many important things to remember too, such as—

The Senior Class play with Joan Hovis and Pat Green as Emily and Cornelia in "Our Hearts Were Young and Gay."

"Baseball's A Poppin'," a show to start the busy season for Coach Ashmore's squad.

The Red Coats' assembly program on April Fool's Day.

The Red Coats' final review, installation of 1950 officers, and finally the picnic honoring the seniors.

The R. O. T. C. final review at Reagan and later with other high schools at the Stadium.

The Interscholastic League preliminary, district, and state contests when Reagan's Hall of Fame should be increased by some state winners in Journalism, Speech, Track, Golf, Spelling, Essay.

The Spring Festival with the crowning of the May Queen Nelda in the presence of her elected royalty.

The many senior parties that reach a climax with the Senior Picnic, the Senior Prom on May 23 in the Crystal Ball Room and Pan American Room of the Rice Hotel, the Baccalaureate Sermon, and finally Graduation Exercises for the Seniors.

Yea Cheer Leaders! Yea Reagan!

This year's cheer leaders boosted the football players at every game, both at home and out of town, and attended the annual football banquet in December. On most occasions the "jumping jacks" were on hand to give hearty support to the basket ball squad. As a result of summer drills and daily practices after school, the six presented many new yells and clever maneuvers which they executed with skill and exactness. The appearance of Duke, Reagan's bulldog mascot, along with the enthusiasm of head cheer leaders Donnie and Joan, the energy of Jean and Anna Cecil, and the spirit of Carroll and Rena added excitement and color to every game.
A well deserved "15" should go to the heart of Reagan's spirit, the 1949-50 Cheer Leaders.

Yea Reagan!

The Football Season

The football team finished the 1949 season tied for second place with Lamar in the city race. Bobby Lankford, who was the only returning letterman, and Frank Gentry were co-captains.

Accompanied by the Red Coats, the Band, the Cheer Leaders, and many loyal students, the Bulldogs began the season in Ft. Worth with a victory over North Side. The second game with Adamson of Dallas ended in a 6-6 tie. When the Polytechnic High School team came up from Mexico to play Reagan, the Red Coats performed a drill in the form of a sombrero in honor of our Neighbors across the Border. The fourth scheduled game, with Austin, was postponed because of bad weather until the end of the season when Reagan defeated the Mustangs by two touchdowns. The Sam Houston game was a high-scoring thrilling one. The second out-of-town game, at Brownsville, was won by a close two-point margin. The Bulldogs defeated Davis and Milby in exciting games before they lost to Lamar in a heartbreaking struggle. Reagan suffered a second loss when playing San Jacinto. That brought the season's record to an impressive total of seven victories, one tie, and two defeats.

Basketball

The Bulldog Cagers, coached by Mr. Charlie Kivell, finished third place in the city race. The most exciting game of the season was the one with Sam Houston, the only undefeated team in city play; Reagan won by one point, 32--31.

The team participated in three tournaments: the Pasadena, the San Antonio, and the Jaycee Tournaments.

Reagan's captain, Ross Hoyt, was selected for the first All-City team and was the city's highest scoring player; Eugene Schwinger was placed on the second All-City team; and Bobby Kneppler, a sophomore, received honorable mention for the All-City teams.

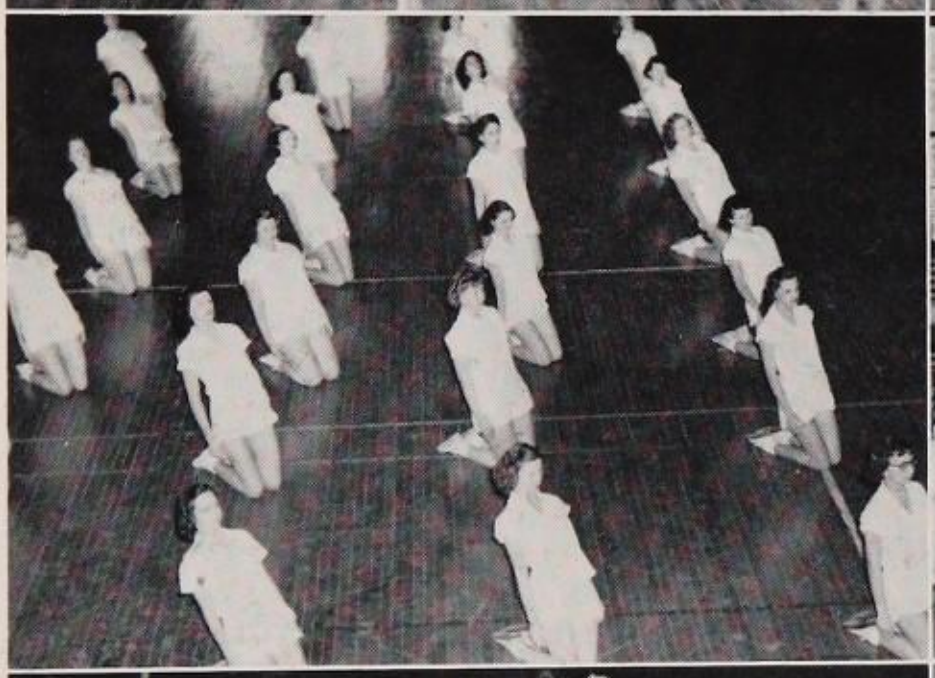
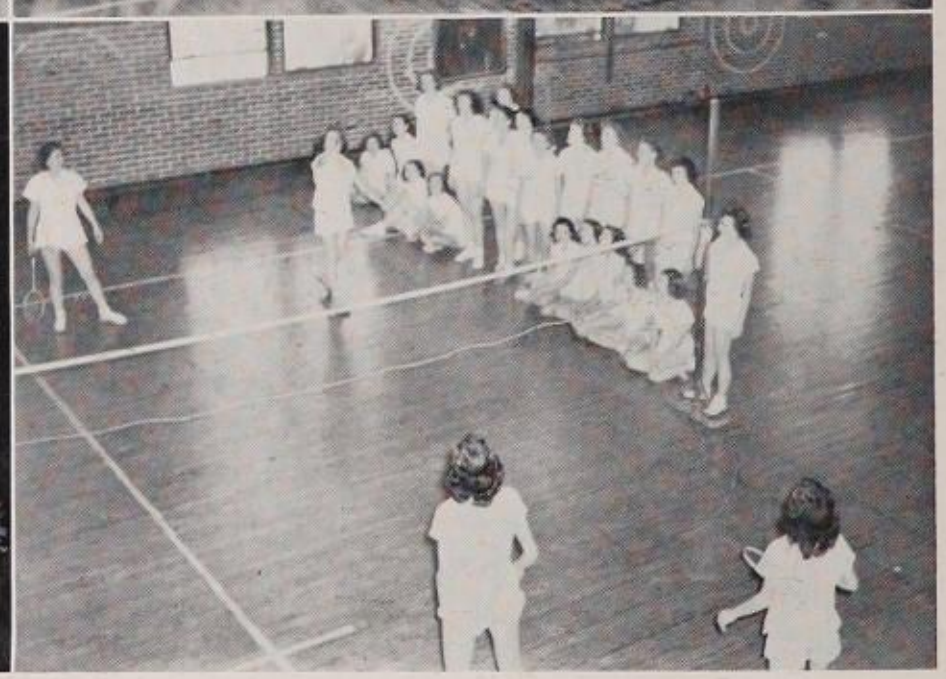
Girls





Sports for Girls

The Physical Education department at Reagan offers a well-rounded program to approximately a thousand girls each semester. Volleyball, basketball, table tennis, badminton, swimming, tennis, archery, health, and home nursing are the courses offered. The Physical Education department works in close harmony with Mrs. Connelly, the school nurse, who ably teaches home nursing. By participating in these games the girls develop skill and are given an opportunity to develop good sportsmanship, leadership, and co-operativeness.

TABLE TENNIS is a fast-moving active game that all enjoy.

MODERN DANCE is a creative art which gives the girls an opportunity to express themselves through movement.

TENNIS is an individual sport which requires intense practice in order to gain skill.

SWIMMING classes stress endurance, speed, and form.

SOFTBALL is an active game that teaches the girls sportsmanship.

BADMINTON is a game requiring accuracy and flexibility.

There are so many things to remember about the school year 1949-1950 . . . . . .
